To Whom it May Concern

We are pleased to declare that Ms. Judit Regev, has been duly authorized to represent Sepco Industries Co., Ltd.

In this capacity Ms. Judit Regev may represent Sepco Industries for the purpose of business expansion in ventures related to our core objectives and related business operations.

Specifically this involves waste plastic to fuel enterprises and sale/purchase of pyrolysis fuel produced by our waste plastic to fuel production system named the Polypetron™. This fuel qualifies as advanced biofuel in the form of waste-based oil which can be refined as high-quality diesel and gasoline.

We are very happy to be working with Ms. Judit Regev and look forward to joint success in green energy enterprise.

Sincerely,
